KAT offers many different types of fare media from single-ride passes to 30-day unlimited ride passes. The following provides some general information about fares and a listing showing the cost and a brief description of all available fares.

General Fare Information

Single-Ride passes do NOT include transfers to another bus. Transfers are 50 cents (25 cents, discounted fare) and should be purchased when boarding the bus on the first part of your trip.

Children under age 5 ride free on all KAT routes.

Discounted Fare Program

The discounted fare program provides half-fare pricing for students (under age 18; identification may be required for those in high school) and persons with disabilities (valid KAT I.D. card, or Medicare card is required).

For more information on the discounted fare program, or to apply for an identification card, visit katbus.com or call our Customer Service department at 637-3000.

Ways to Purchase Bus Fare

1. Purchase when boarding the bus (for single-ride, with or without transfer, and one-day passes only). Exact change is not required; if change is due, you will be issued a Change Card that can be used on your next trip. Change cards are not redeemable for cash.
2. Download a mail-order form from our website (in the Downloads section of the Fares page) and mail it in along with your payment.
3. Visit the Customer Service desk at Knoxville Station Transit Center at 301 Church Avenue between the hours of 8:30 a.m. and 4:30 p.m., Monday through Friday.
4. Bulk pass orders (100 or more) must be ordered in person at KAT's main office or using the mail-order form. Do not use the online ordering form for bulk purchases. Call 637-3000 for more information on purchasing passes in bulk.
