Minutes
For Thursday, December 21, 2023, 3:00 p.m. meeting of the
KNOXVILLE TRANSPORTATION AUTHORITY
City County Building

I. Determination of Quorum

Vice Chair Kirk called the meeting to order. She asked Attorney Lawhorn to confirm a quorum.

Attorney Lawhorn stated they have 6 members present. They have a quorum.

Commissioners in attendance were as follows:

Commissioner Brakewood
Commissioner Durham
Commissioner Nabors
Commissioner Helsley
Commissioner Whitted

II. Approval of Minutes

Vice Chair Kirk asked if anyone had any questions over the minutes from November 16th. There were none. Commissioner Whitted gave the 1st motion and Commissioner Brakewood gave the 2nd motion. All were in favor, no one opposed.

III. Reports A. KTA Chair

Vice Chair Kirk took the opportunity to offer a few words. First, she said she would like to show their appreciation for Commissioner Tommy Smith for his service to the KTA. He directed with great leadership as they navigated through the process of KAT Reimagined and also with the accessibility and safety for all of their riders at the forefront. She continued saying they wish him all the best in his next endeavor as the Vice Mayor of the City of Knoxville.

Vice Chair Kirk also welcomed Councilwoman Helsley as well, as she is to fill Commissioner Smith's position, and then asked her if she had any comments to share. Councilwoman Helsley did not have anything to comment at this time.

B. Commissioners' Comments

Vice Chair Kirk stated that Commissioner Smith would like to share his comments.

Commissioner Smith thanked Vice Chair Kirk and said he wanted to come today and let the board know what he thought of them. (playful laughter). He wanted to tell them they are doing a good job, and thanked everyone, particularly staff who helped make his service to this body easy. Commissioner Smith said they tackled some hard things associated with KAT Reimagined, and said for them to keep going, and finish the work that will transform their transportation in the city. He continued saying he was proud to serve, and that Councilwoman Helsley will do an excellent job, and the council was assured of that. She wasn't appointed lightly, and thanked staff again for their clear leadership, and the citizens of Knoxville are better for it. He finished saying to keep being bold, and see through the work that's ahead of them and if they need or want his opinion, he is available, and then gave well wishes to all.

Vice Chair Kirk asked if any other commissioners had further comments. There were none.

C. Staff

i. City of Knoxville Director of Transit

Mr. Thorne stated he only had a couple of items. He started with thanking Commissioner Smith for serving as KTA Chair for the last year, and also welcome Councilwoman Helsley as a KTA board member, and he looked forward to working with her.

He continued on to say there was a 5% increase in ridership on fixed routes last month and a slight decrease in demand response. He said there will be no service on Christmas, with regular service levels on Christmas Eve, and no service on New Year's Day. Director Thorne said they are giving those days to their employees to be with their families.

Mr. Thorne went on to talk about some accomplishments, all to the benefit of their employees over the last year. He said they have KAT Reimagined moving forward and heading into a good direction, and are still moving forward to launch that at the end of August 2024. He stated they're addressing the workforce shortage, and are up to 189 operators, of which 26 are in training right now. He talked about the launch of their Mobile Ticketing

application, and Mrs. Woodiel-Brill just told him they had over 8,675 transactions in just November. A lot of passengers are utilizing it and it's a benefit to their customers. They are moving along to the next phase of different types of fares their passengers can use. He finished with thanking all of the board members for serving on KTA, and gave holiday wishes.

iii. TPO Transit Planner

Vice Chair Kirk asked Mr. Burton if he had anything to report today.

Mr. Burton introduced himself, and gave a brief description of what he does to Councilwoman Helsley. He then reminded the board of their long-range plan to 2050. Mr. Burton gave the website, www.knoxtpo.org and the site just for the Mobility Plan, which is www.knoxmobility.org. He said it has the beginning information and a survey about what citizens would like to see with the transportation system. He encouraged the board to pass the information along to different groups or people they work with, and said the more participation, the better.

IV. New Business

Vice Chair Kirk turned the floor over to Attorney Lawhorn.

Attorney Lawhorn started with under the KTA bi-laws, officers of the KTA, which are the Chair, Vice Chair, and the recording secretary, have to be nominated and approved in January to serve a year. Under the bi-laws, the officers who serve one term, are eligible to be reappointed for one successive term after that. He said they will have some turnover in positions, and he was asked to contact Commissioner Brakewood, and Commissioner Simmons, along with himself to serve on the nominating committee. Attorney Lawhorn stated that Commissioners Brakewood and Simmons are both willing to serve on said committee. Attorney Lawhorn stated they will get together as a committee some time in early January, and they will provide a slate of nominees, typically one nominee per position. He said a report will be made in advance ahead of the next meeting, then at that time, KTA will vote on those nominees as well as any others. Attorney Lawhorn said that other names can be added to the nomination. He stated there is one important condition to that. If a board member intends to nominate someone, and if they are present, they will have to say they are willing, and if they are not there, there must be a signed writing stating they are willing. He stated they will have the report before the next KTA meeting with a slate of nominees.

Vice Chair Kirk asked if they had any other new business. There is none.

V. Old Business

Vice Chair Kirk asked for any Old Business. There was none.

VI. Public Comment

Vice Chair Kirk asked if there was anyone signed up for Public Comments.

There was no one.

VII. Set Next Meeting and Adjourn

Vice Chair Kirk wanted to offer her appreciation to the staff of KAT for getting them through some interesting meetings navigating through KAT Reimagined, and making sure the riders and their safety and accessibility are at the forefront. She finished with wishing the board and staff a Happy Holiday.

The next meeting was set for January 25th, at 3:00 p.m. at the City County Building Main Assembly Room.

Respectfully submitted,
Analisa R. Valentine
KTA Recording Secretary

Re: Proposed Service Improvements for April 2024
Date: January 18, 2024

With continuing workforce improvements, KAT proposes some return of service to pre-Covid levels. In addition, KAT is also proposing some minor adjustments to routes in South Knoxville, and the approval of a permanent change to Route 34, which was previously approved as a demonstration project. If approved, these service improvements would take effect April 8, 2024. KAT recommends the board hold a public hearing and vote at the February 2024 meeting. Below is a summary of the proposed changes, with details following:

1. All Sunday service returns to pre-Covid service spans, with service from 8:15 a.m. – 8:15 p.m. (service currently ends at 5:15)
2. Extend the following routes in the evenings on weekdays and Saturdays to the final 11:15 p.m. trip:
 - a. Route 17 - Sutherland
 - b. Route 20 – Central
 - c. Route 23 – Millertown
 - d. Route 32 - Dandridge
 - e. Route 33 – MLK
 - f. Route 42 – Ft. Sanders/UT Medical Centers
3. Returning Route 42 – Ft. Sanders/UT Medical Centers to 30-minute service on weekdays
4. Extend Route 34 – Burlington in the evenings to a 10:15 p.m. trip on weekdays and Saturdays
5. Return Route 13 – Beaumont to regular service levels on weekdays
6. Adjustments to South Knoxville routes:
 - a. Adjust the Routing on Route 41 – Chapman Highway in an attempt to improve on-time performance. This includes:
 - i. Departing and returning to downtown via the Gay Street Bridge, using Hill to State Street to the platform. This helps avoid congestion that builds up on the Henley Street Bridge. The proposal also includes adjusting the first outbound timepoint by one minute earlier to allow additional time in the route.
 - ii. Changing the routing at Majestic Grove Shopping Center to all right turns, allowing for more consistent service.
 - b. Removing a one-block diversion on Route 45 – Vestal along Flenniken.
 - c. Route 40 – South Knoxville and Route 45 – Vestal also proposed to depart downtown via Gay Street bridge, and return the same way, using State Street to Church Avenue in hopes of avoiding traffic and routing directly to the platform.
 - d. Return the last inbound trip on Routes 40 and 45 on weekdays and Saturdays, which was removed during workforce shortages
7. Making the demonstration routing on Route 34 – Burlington the official routing. You will recall that the board approved a demonstration detour for this route in August of last year, due to issues with on-time performance. KAT proposes that this demonstration routing become the formal routing.

Details on all items above follow.

Item 6 a-c: Adjustments to South Knoxville Routes:

Removing the Henley Bridge from the routing should help with afternoon back-ups and on-time performance. The first timepoint at Young High Pike will also be pushed back 1 minute to allow for additional time to move through the route.

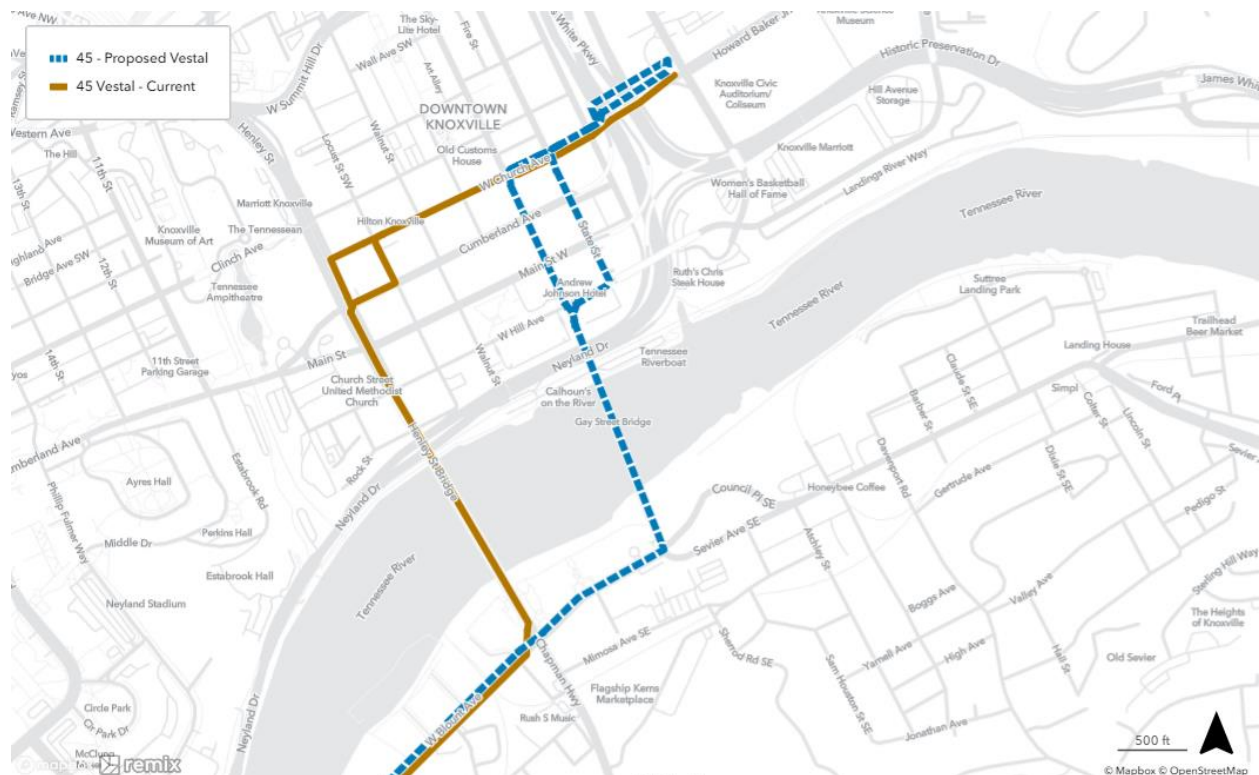

Route 40 – South Knoxville

More efficient routing into and out of downtown to improve on-time performance

Route 45

Proposed routing changes include downtown routing and removal of a 2-block diversion mid-route:

Item 7: **Approved demonstration detour from August 2023**

Demonstration Detour on Route 34 - Burlington Planned for August Shake-up

Background: When Bell Street Closed, route 34 was detoured to Magnolia in order to maintain service to The Change Center. This has proven difficult with the time schedule the route has remained on.

Routing Change: The Route 34 will use Summit Hill straight into Dandridge outbound, and follow that same routing inbound. (See dashed line).

Route 12 will still serve the area. If the demonstration detour is effective, it will go before the board for a permanent change for January, 2024.
